

IISR participates in ISSCT on 13th Breeding and Germplasm 10th Molecular Biology Workshop 2024

Dr. R. Viswanathan, Director, Dr. Swapna, M., Principal Scientist and Dr. Chandramani, Scientist from ICAR-IISR, Lucknow participated and presented papers in the ISSCT 13th Breeding & Germplasm/10th Molecular Biology Workshop-2024 which was held at Coimbatore from 8th-12th July, 2024. The Workshop was inaugurated by Dr. TR Sharma, Deputy Director General (CS) ICAR, New Delhi, and was attended by delegates from more than 20 countries. The programme included plenary lectures and presentations -oral and posters- in the various technical sessions and field visits to the germplasm facility at ICAR-SBI, Coimbatore and at ICAR-SBI, RC, Agali. The latest developments in the field of sugarcane improvement and management using conventional and non-conventional tools were discussed by the delegates.
